Assessor Comments	Buyers a very good line of Murray Grey heifer yearlings averaging 408kg. These cattle are only on offer due to new calves being born shortly and needing to make room! A rare opportunity to secure cattle that will be ready for processing in a very short time period. These cattle were extremely quiet and an absolute pleasure to handle, backed with many years of Murray Grey breeding and bloodlines. These heifers have length with plenty of shape, style and softness. Ideally suited to all grassfed markets being Greenhams NE acc. and NG/NA Note: Vendor has one other line in this sale
