Assessor Comments	Buyers a very good line of Murray Grey steer yearlings averaging 317.5kg. These steers present as a very even line with only 50kgs from lightest to heaviest, and at 12-13 months of age they have very good weight for age. The vendor has utilised AI for many years so these steers are also extremely well bred. They have good frame, length, depth and shape, and present in good, forward store condition. They are ready to gain a lot of weight very quickly given the chance. Suited to all grassfed markets being Greenhams NE acc. and NG/NA Note: Vendor has two other lines in this sale
