Assessor Comments	Buyers a small but good line of Shorthorn heifer yearlings averaging 271kg. These 12-13 month old heifers are still in their winter woollies however are ready to gain a lot of weight coming into these warmer months. They are bred well enough (Dunroan and Mt Roan bloodlines) and have good frame, length, bone and type. They should continue to develop into well finished yearlings suitable for all grassfed programs being Greenhams NE acc. and NG/NA. Note: Vendor has two other lines in this sale
