Assessor Comments

Buyers the top line of Red Angus steer yearlings averaging 411kg offered a/c Stuartmead. These steers are a very classy and even line, with only 54kgs from lightest to heaviest! They present in forward store condition and are ready to continue taking full advantage of any feed available as the weather continues to warm. These 13-14 month old steers have excellent frame and length with plenty of depth, shape, softness and type. They would make well finished yearlings ideally suited for all grassfed markets. Greenhams NE acc., JBS FA, NG/NA Note: Vendor has two other lines in this sale Note: Vendor is a co-director of Webb and Woodiwiss Livestock Marketing
