Assessor Comments	Buyers a great opportunity to secure a Bdouble line of VGQ vendor bred Charolais/Charbray feeder steers. These steers are out of large framed Charolais ,Charbray and Santa cows sired by Good Quality Stud Charolais sires , they stand on good bone and show length ,depth and breeding to perform on grain or grass. The Buffel Park steers have a great reputation for feedlot performance and have won and placed in the Barcoo Beef Feedlot Challenge in previous years. Ideally suited to go straight on feed for 100 day market alternatively could be taken through to the Lucrative grass bullock market. Please note these steers were treated with Revalor S 100 in December 2024.
