Assessor Comments	Buyers a very good line of 76 Angus and Angus cross Steers that present in good store condition. They stand on good bone along with good confirmation & have all the right attributes to make these steers reach their full potential. These steers are very tidy around the head with the majority being polled. . At assessment two steers noticed to have slight scaring in one eye, however there doesn't seem to be a problem with vision, also seven steers with warts around the head and eyes. Steers have been enjoying a very good season on the oats since the middle of June. A good line of Angus and Angus/Brangus cross steers that will not disappoint any buyer it was noticed there is two steers that do look to have a wagyu trait through back. Please see photos for breed satisfaction. steers sold c/kg and are delivered to the Morven railway hub yards. please see weighing instructions. Buyers note vendor has another lot of steers in same sale.
