Assessor Comments	Buyers, here is your chance to secure a 3 deck line of very good quality heifers ready to perform. These heifers come from a heard with a very good reputation for growth and performance on both grass and grain. They show good weight for age and carry solid bone with plenty of frame and length. These Heifers will suit the job of your choosing, whether it be taking them to feedlot entry weights or take them through to slaughter weights. They have a live weight range of 198kg to 327kg and have an average weight of 254.5kg after a 5% delivery adjustment. Please note this lot is being sold as weaned heifers although they will not be let out of the yards prior to delivery, however, the vender will work the them through the yards and spend the time on them to yard wean them. Please note this lot been pretreated to assist with clearing for potential buyers in the clean country, it will be the purchasers responsibility to to insure all cattle tick regulations are followed.
