	Heifers were very good to handle. Cattle have seen plenty of people and worked very well through the yards being there second day off their mothers.

Assessor Comments	Good deck line of crossbred heifers. Majority flatback heifers with a few Droughtmaster crosses. Would suit all jobs and plenty of gain in these young light weight cattle. Treated with ExZolt Pour On on the assessment day (02/09/25) to give them their best chance if going into the clean. Please see videos to be happy with breed. ** Vendor has a Deck lot of steers in the same sale**
