| Assessor Comments | Buyers, on offer is a light two-deck line of well-bred Angus and Angus-cross steers presenting in good store to forward-store condition. These steers have excellent frame, length, and depth, making them ideally suited to any backgrounding operation or feeding program. They are notable performers, having done extremely well over winter on the oats in front of them, and are expected to continue doing so. This even line, predominantly Angus steers, includes 10 Angus-cross steers showing small amounts of ear and pizzle—please refer to the photos and videos for breed satisfaction. Please note, 2 steers have minor blue eye scarring. Also, buyers, please note this vendor has one other lot in this sale. |
