4 Head Warts

Assessor Comments

Buyers here presents an opportunity to purchase a very good quality line of weaned Angus Heifers. These Weaners are exceptionally well bred coming out of a Cow herd originating from Victorian & South Australian Genetics. They are by Booroomooka, Raff & Hazeldean Blood Angus Bulls. With the wealth of breeding, they would be ideal to grow out to future breeders. They offer all the required softness and feminine traits to be ideal Cows for years to come. They also present in the ideal condition to go onto crop to grow out to suit all Angus & Domestic feeder markets. These heifers are well handled and would be a huge boost to anyone's herd.
