Assessor Comments	2024 drop of Forktree Pastoral steer calves. 24 Black Baldy/Speckle park steers Avg 390kg at delivery. **PCAS Eligible, Antibiotic Free & Grass Fed Only**. Raised by well bred cows and by a Speckle park bull, these steers will go forward. These steers are quiet, very easy to handle in the yards and come with my highest recommendation. These steers are the perfect feeder steer to grow into future bullocks. Steers were born in Dergholm Victoria and have been on agistment on this property for just over 12 months. Please note vendor has 1 other lot in this sale of heifers.
