Notable Traits	Traits 4 Head later castrated steers (cut 2 months ago)		
Assessor Comments	An outstanding line of Angus cross weaned steers backed by quality Eaglehawk Angus bloodlines. These steers display great frame length, softness and weight for age making them the ideal article to background out to heavy domestic feeder or kill weights. These steers all handled well through the assessing process and will continue to undergo education up until delivery. These steers will remain in weaner yards being fed quality Mitchell & Flinders grass hay as well as being tailed until delivery. This will ensure cattle are well looked after and once delivered off great compensatory weight gains to the successful purchaser. The Hall family cattle are back by continued return buyer support as their cattle are known for performing on either grass or grain. These steers will not disappoint. Please note the vendor does have several lots in the sale all sired by Eaglehawk Angus, Palgrove Charolais & Swan Hill Santa bulls.
