	The cattle in this lot all handled through the yard and the assessing process with ease. The cattle listed as slightly stirry are only uneasy when singled out of too much pressure is applied, these cattle settle quickly when reintroduced into the mob.			
Handled With	Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses			
Assessor Comments	A quality line of weaned steers back by quality bloodlines of Palgrove Charolais & Swan Hill Santas. These steers display great frame length, softness and weight for age making them the ideal article to background out to heavy domestic feeder or kill weights. These steers all handled well through the assessing process and will continue to undergo education up until delivery. These steers with remain in weaner yards being fed quality Mitchell & Flinders grass hay until delivery. This will ensure cattle are well looked after and once delivered off great compensatory weight gains to the successful purchaser. The Hall family cattle are back by continued return buyer support as their cattle are known for performing on either grass or grain. These steers will not disappoint. Please note the vendor does have several lots in the sale all sired by Eaglehawk Angus, Palgrove Charolais & Swan Hill Santas.
