Notable Traits	Traits 10 Head Small white patch		
Assessor Comments	104 Angus X Angus Feeder steers, steers consist of Hazledean, Rennyalea, & Landfall Angus blood steers we're originally purchased ex Auctionsplus as weaners off breeder steers have been grown out on buffel then transferred onto an oat crop over winter presenting in forward condition displaying excellent frame & weight it makes these steers ideal cattle to take to feed to top off into a export kill. Please note 2x steers with pink eye scarring. Buyers a great opportunity to put a full road train load of good quality Angus feeders with plenty of upside in a rising market.
