Vendor Comments: Very good Quality & even draft of Angus females suitable as future breeding females.

| | |
|---|---|
| Joining Details | Not Station Mated |
| Any Access To Bulls or Stags? | To vendor's best knowledge, this lot has had no access to bulls or stags. |

Temperament: Yards Crush Paddock

| | | | |
|---|---|---|---|
| | Quiet: 56 head | Quiet: 53 head<br>Slightly Stirry: 3 head | Temperament not assessed in Paddock |

Heifers handled well throughout the assessment process. Heifers flowed throughout the back yards, force yards & weigh station without issue. 3 heifers became agitated in weigh station. Heifers settled in our presence whist on foot in holding yards & were comfortable to be manoeuvred around on foot for media purposes.

|---|---|
| Assessor Comments | 56 - EU Accredited - Good Quality Vendor Bred Angus heifers presenting in healthy forward store to fresh condition, beginning to lose their winter coats. Heifers are NSM - being bred from a reputable, New England self replacing Angus cow herd based on Pine Creek Bloodlines. Heifers were subjected to a overnight (12 hour) curfew prior to assessment. 3 heifer were noted to have white underbellies. The temperament of the heifers is a feature. Heifers handled sensibly & without issue in both force yards, back yards & holding paddock, testament to their management practices. Heifer are eligible for Grass Fed markets. Note - heifers have dry dagg on tails from grazing conditions. Sale represents an Annual production sale of heifer weaners, presenting an opportunity to secure a genuine line of Angus breeding females to take on, join & retain as future breeders or continue backgrounding for either Domestic, Export or Angus Specific Long Fed Markets. |
