Handled With	generally well handled, worked through the yards very easily, one heifer agitated in the crush but settled easily Bikes
Assessor Comments	A very nice line of one mark vendor bred heifers sired by Woonooka Angus bulls from a quality cow her carrying Booroomooka genetics. Heifers show softness and sound confirmation and given the right opportunity should continue to do well. Heifers would suit a breeding program or feeder markets or even to be grown into heavy kill weights in the future. Grass fed antibiotic free. One steer slight scarring of ring worm On face
