Assessor Comments

400 ripping quality steers in just the right condition to buy, steers have plenty of stretch in them and will have plenty of compensatory weight gain in them for prospective purchaser. Steers will be sold as 4 even runs out the gate. The Yammatree steers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots and iu would see these steers as beinbg no exception to that at all. Please note there are also 156 heavier steers in todays sale.
