Steers were easy to handle, odd steer got unsettled in the crush when weighing but settled down quickly once back with mob. They were easy to draft of the cows for assessing

Handled With	Bikes , Horses , On foot , Vehicles
Assessor Comments	An outstanding line of Hicks composite x Hicks Composite Hereford Steers calves These Steers come from a highly regarded herd and are proven performers with great feedback from previous buyer's and abattoirs. The vendors have been using Hicks Composite bulls for more than 13 + years and select bulls on docility, high weaning weights and calving ease.

	Steers are showing all the Hicks composite attributes and are a credit to the vendors. These steers will perform and come with my highest of recommendation. **Tops of the drop**. Previous consignments from the vendors have top the auctions plus sales. ***Buyers please note: 17-hour curfew before assessing and delivery Tuesday 16th please. Calves will be drafted off cows the night before loading.***
