Assessor Comments	PLEASE NOTE VENDOR HAS 2 LOTS IN THIS SALE - An excellent quality line of EU Accredited heifers backed by years of top genetics. The Belmore herd has been using Injemira and Yavenvale genetics for many years. These heifers are from large framed, deep bodied cows that consistently produce excellent progeny. These heifers show good bone and type making them ideal future breeders. Due to a change in management direction these heifers that would usually be retained will be offered for sale. Excellent opportunity to secure females suitable to breed or feed.
