Steers were good and quite in the yards and were a pleasure to handle although some did get bit fizzy once singled out in crush. but overall they are quiet and good to handle.

Handled With: Vehicles

Assessor Comments	On offer are 24 beautifully bred angus steers averaging 332kg, these steers were purchased out of Barnawartha store sale 6 months ago as one line and were tipped out on very good feed ever since. These steers have grown into some very nice steers and are in forward condition and have been pouring the weight on. They were very quiet and great to handle in the yards and would be ideal steers to go on with. Only being sold to make room for haymaking.
