Assessor Comments	A very nice line of 15 Angus Friesian cross steers in forward store condition. These steers were easy to handle in the paddock and the yards, by Alpine Main Event Q192, they would make perfect steers to feed or grass fatten to go over the hooks. With access to grain and silage, a recent multimin, drench and two 7 in 1 vaccinations, these steers will be ready to continue to grow and put on weight. Please note vendor has another lot of heifers in the same sale
