Assessor Comments A very nice line of forward store condition Angus Friesian cross heifers. The 14 heifers were easy to handle in both the paddock and the yards, by Alpine Main Event Q192 they will make perfect stock to breed or feed. They have been backgrounded on grain and silage and had two 7 in 1 vaccinations, a recent multimin and drench- ready to turn out and put on weight. Please note there is a pink eye scar on one of the heifers which was previously treated. This vendor has another lot of steers in the same sale
