Assessor Comments An outstanding draft of Angus Steers from Littleman River that are part of the highly regarded 'Team Te Mania' Program. The steers are sired by specially selected Te Mania AI and Back Up sires and are out of ex Te Mania Stud and Team Te Mania cows. Steers are showing vast amounts of bone and fleshing ability as well as impressive weight for age given the seasonal conditons. Littleman River cattle have been noted for their performance in both grass and grain based finishing operations, with recent success of 9th place out of 120 teams entered in the Teys Beef Spectacular Feedlot Trial. Previous consignments have had significant levels of marbling with marble score 8 previously being achieved by Littleman River cattle. Please note strict 4 day delivery window.
