	A cracking run of Angus EU accredited feeder steers on account of Lyndhurst Pastoral. Approximately 65 % of these steers			

have been Ai'd by Nampara Smokey S44 and Nampara Kirk R90 with the remainder being backed up by Nampara bulls. These steers show great bone stretch and depth of body and will be a great asset to any programme weather going onto grass or grain. Steers are grass fed only antibiotic free, Tey's Grassland and Greenhams Never Accredited. These steers come with my highest recommendations and will not disappoint. Please note 1 steer has 2 patches of white on his head 2 steers have old pink eye scaring and 1 steers has a handful of warts on neck
