Handled With	These heifers were very good to handle in the yards, it was there first time through the weigh box and overall they handled it well but there was a percentage of heifers that did become aggressive but settled in the mob again. Please see videos for more description of temperament Bikes , Dogs		
Notable Traits	Traits 2 Head Dog bite		
Assessor Comments	A line of 76 No.5 weaned, well educated Brahman heifers which are account of EA Mahood, Darling Plains. These heifers display excellent length and growth for age and would make great future breeders. The NOT brand is well known in the cq area for there cattle's growth, doing ability and commitment to producing high quality Brahman cattle for many years. The temperament in the paddock of these heifers was outstanding, with the owners putting in a lot of effort educating these cattle with dogs and bikes. Please 2 there are 2 heifers with small dog bites on their lower offside back legs.
