Assessor Comments	A very good line of Santa Heifers. These heifers were purchased October 2024 and went on the road for 4-5 months. Offering 423 Heifers in 5 lots. Will be drafted 5x5 out the gate for the evenness of delivery. Heifers are 1 line but will carry 2 brands as a large percentage were unbranded at delivery. These heifers are of very good quality with bulls used being Rosevale, Strathmore and Gyranda. Breeders bought very good bulls with an emphasis on Polls. Were all given a PG when going onto oats 25/06/2025 and branded with vendors brand. Heifers have good temperament, show very good bone and type. Top quality line of heifers mouthed 40 head in total mob - all good milk teeth. Excellent heifers to put on feed or would make a top quality line of future breeders. Come highly recommended.
