	All steers handled well during assessment, stood well on portable scales with only 2 becoming agitated but soon settled once returned to mob					

Handled With	Bikes , On foot , Vehicles
Assessor Comments	On hand we have a great little line of Santa steers all weaned a good while and ready to move forward given the opportunity. These steers were good to handle during assessment and moved well through the yards. They possess good frame, structure and would suit backgrounders wanting quality steers to grow out into heavier weights. No blemishes observed during assessment. Please note vendor has another line in same sale.
