Assessor Comments

Buyers. This is a great opportunity to purchase young Vendor bred EU Angus heifers with top quality Genetics and no heifers being retained this year. Heifers present in good condition showing nice spring of rib with volume and softness. Heifers stand on good bone with length and depth of flank. These heifers are out of medium to large frame Wales bred Angus cows by top quality Ascot, Texas, Raff & Carbar Angus stud sires, selected for growth with IMF. Heifers are very quiet to handle through yards. Wales cattle have a very good reputation for performance both on grass and grain. 7 heifers had old blight scaring but not detrimental, 9 heifers with very small white under line. Note vendor has other lines in same sale.
