Assessor Comments	An excellent quality line of Angus Steers. Steers are in fresh forward condition and are doing really well with the current season conditions. This is the complete drop of Steers and they are very even. Steers are by the high Indexing Dunoon Angus Bulls and are noted for doing in feed yards. Calves in previous years have been kept and grown into heavy feeder and kill Steers. Buyers please note the vendor will offer 16 Heifers in the same sale.
