Assessor Comments	Small group of 12 Angus heifers that are vendor bred and present in fresh store condition. Weight range within a reasonably narrow span. Offering with their 47 brothers in a genuine reduction of young cattle to take on. Very good to handle and would respond to good feed as in recent weeks have achieved 1.65kg weight for the vendor. Coonamble and Rennylea Blood Bulls used and out of Gilmandyke blood cows. One heifer with slight scarring in one eye.
