Assessor Comments	Nice line of black baldy heifer weaners. They were a pleasure to handle and are very quiet. Nice soft coated calves that are starting to show their potential after coming out of a cold tough winter. These heifers are a mix of Vendor bred and heifers that were purchased to match with the intention of joining later in the year but with a tougher than normal winter the vendor has decided to move them on.(Please note 3 black heifers in the mob, refer photos)
