Cattle are slightly stirry when first get in yards, but settle down quickly. these cattle are no problem to work on. This line of heifers came out of a large line and settled down quickly once in their own group.

Handled With	Vehicles
Assessor Comments	The heifers are a present as good line in fresh forward store condition. They have come through a dry winter and spring. These heifer are improving daily now as they are getting a green pick. These heifer have come from numerous properties, depot at the one property and now going forward. This line of heifers are an ideal backgrounder line of heifers offering a medium to large frame, showing good improvement on fresh feed. There is around 6 with small scurs or horn. There is 7 with red colour. The Watervalley cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases. The Watervalley cows continually run with bulls , these heifer havent seen a bull since weaning back in March / April. They have been PT Empty, Vendor has an other line of 42 which have been mouthed as milk teeth in this sale, which may help with truck loads.
