| Assessor Comments | A very well-bred line of yearling heifers that come from a well-regarded herd of cattle. These heifers have ample frame and bone and will continue to mature with the spring on their backs to be a moderate to large frame female. Ideal condition to join or to take out to heavier weights on grass or grain. Note - 4 Heifers have a white udder and 1 Heifer has a white patch on her belly. # The Vendor has 2 lots on offer in this catalogue that represent a run of young females that are pregnancy tested undetectable in calf |
