Assessor Comments	80 Vendor bred future breeders or backgrounder heifers. K.J & T.M Joselands have developed a herd over the past 12 years which now has a significate angus base. Pathfinder, Milwillah & Millah Murrah genetics have been introduced and focusing on high IMF and growth to improve their performance of the herd. Don't miss the opportunity to secure heifers which would compliment any breeder herd or backgrounder into a feeder job. Its a credit to vendor on the temperament of heifers and easy to handle. Please note brothers in same sale. Buy with confidence.
