Heifers were generally good to handle, showing normal yearling tendencies. The heifers would tend to trot in the big yards and needed some slowing through gateways. heifers can become agitated when singled out, but settle quickly when returned to the mob. A number of heifers became agitated in the confines of the crush and exited quickly to return to the mob.

Assessor Comments Buyers, on offer 32 top quality Angus heifers that are in store condition and ready to go ahead. Heifers show all the traits to hit the premium Angus cross Angus market. Heifers are well grown for their age and are expected to keep powering ahead and sold on as feeders or joined to a bull of your choice. Please note one heifer had some slight blights scarring but was not deemed an issue. A great line of store condition heifers that are well worth your consideration.
