**Assessor Comments** A very good line of NSM Santa heifers. Heifers were purchased from the Russell family at 'Consuelo' Rolleston. Heifers had a PG when going on to Oats on 25/06/2025. Heifers are 1 brand and show good type. Handled well through the race and crush. When purchased heifers went on the road for 3-4 months with a drover. Ex 'Consuelo' heifers that always command a premium when offered by the breeders of heifers on A+. Heifers suitable for feedlot, fattening or make a very good line of future breeders.
