| Handled With           | Cattle were fine to handle through vendors yards. Cattle handled typical of Wagyu and at times wanted to move quickly through the yards but were fine once returned to the mob.<br>Bikes , Dogs                                                                                                                                                                                                             |
| Assessor Comments      | A top quality line of F1 Wagyu x Angus mixed sex feeders. These cattle are bred in the purple from a Temania & Hazeldean blood Angus cow herd and present a fantastic opportunity to secure an outstanding line of feeders to carry on to a high end Wagyu feedlot program. Cattle are also eligible for a grassfed program if required. Buyers can bid up and buy with confidence on this quality listing. |
| Assessor               | <b>Jon Glover (Level 1 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                      |
