Very quiet cattle that have been handled and fed regularly so they are very familiar with people, and worked very calmly through the yards at assessment

Handled With: On foot , Vehicles

Assessor Comments: Quality line of vendor bred heifers that come with exceptional temperaments and ability to grow out into feeders or retain and join to a bull of your choice in the Autumn. These heifers are out of well bred Wirruna blood hereford cows and are sired by an Alpine Angus bull. They were a pleasure to handle at assessment and would be a lovely addition to any

	program.
