	All Heifers except for 1 Heifer worked well and easily through crush. The noise of the crush and strangers excited one Heifer. Other than that, very good to handle and work with		
Handled With	Bikes , On foot		
Assessor Comments	Nice draft of weaner Heifers, growing out well for the age of the heifers. These Heifers are out of a line of big frame Cows that milk well, ideally these are good backgrounder trade heifers or some good replacements for the paddock. With the euro content and softness of the Murray Grey these are ideal trade heifers. These heifers would make a good addition to your herd. With the season changing now's the time to get some paddock replacements
