Assessor Comments	Well bred line of Ardrossan blood Angus steers that are really starting to hit their straps, averaging 363kg full (304-409kg) at assessment. These steers are eligible for Grassfed & Antibiotic free programs, being Greenhams Never Ever accredited. Steers received their first shot of Bovilis MH + IBR on 19/6 to satisfy feedlot requirements. Very good steers to go straight onto feed, or continue to grow out to heavy feeders or grassfed kill bodies.
