Assessor Comments	A well-bred line of young Speckle Park heifers, sired by a Te Mooi Speckle Park bull. These heifers are true to the breed, showing excellent structure and type. After coming through a tough winter, with all routine animal health treatments they're now responding well to improved conditions and are starting to show strong growth. These high-potential females are ideal for backgrounding, growing out, or future breeders and would suit anyones front paddock. Please note vendor has a line of steers in same sale.
