Assessor Comments

Breeder replacement / herd foundation heifers. Very good quality Angus heifers direct account of COOLANA RURAL - Formerly COOLANA ANGUS STUD - Mortlake Western Victoria and are renowned for their breeding with decades in the stud game. The Gubbins family have fine tuned the art of the Angus breed. Cattle highly sought after year in year out by repeat buyers and are bred for their high growth and ability to perform through any stages of their life cycle, highly recommended for their genetic pool and cannot fault any aspect of their breeding program. The cattle have been at Mernoo on agistment since late May.
