Assessor Comments	Buyers an opportunity to purchase online of heifers out of the Rosemount Grazing operation. These heifers are backed by a reputation of weight performance and fertility as well as being backed by leading Charolais & Simmental genetics including 4Ways & Glenlea Charolais as well as Woonallee & Summa simmentals. This is a rare opportunity to secure these heifers at this sort of weight as they are normally retained to feeder weights and highly sought after by repeat feedlot operations. The heifers in this lot handled very well through the assessing process and have been put through an extensive Weaner education process. These heifers will not disappoint and bounce ahead on fresh feed to grow into quality feeders or breeders.
