Assessor Comments	62 Vendor bred HGP Free Angus Cross weaner steers. K.J & T.M Joselands have developed a herd over the past 12 years which now has a significate angus base. Pathfinder, Milwillah & Millah Murrah gentics have been introduced and focusing on high IMF and growth to improve their performance of the herd. Don't miss the opportunity to secure backgrounder steers with a tight weight split and frame to continue performing. Its a credit to vendor on the temperament of weaners and easy to handle. Please note sisters in same sale. Buy with confidence.
