Handled With	Bikes , On foot , Vehicles		

Assessor Comments	A small line of exceptionally quiet, good quality, vendor bred, British heifers. The temperament of these heifers is a credit to the vendor and as such would make them perfectly suited as future breeders particularly for someone on a smaller holding. None of this line of heifers have been retained. Alternatively they would also suit backgrounding through to Domestic feeder weights or taking through to heavy kill weights. PLEASE NOTE Potos & videos were taken whilst raining and do not show heifers in the best light. vendor has a further 13 heavier sisters in the same sale.
