Exceptionally quiet heifers, a credit to the vendor for presenting heifers with this temperament.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A small line of exceptionally quiet, good quality, vendor bred, British heifers. These heifers have the weight , age and maturity to join to the bull of your choice this Spring. The temperament of these heifers is a credit to the vendor and as such would make them perfectly suited as future breeders particularly for someone on a smaller holding. Only 2 heifers of this line of heifers have been retained by the vendor as breeders. Alternatively they would also suit backgrounding through to Domestic feeder weights or taking through to heavy kill weights. PLEASE NOTE Photos and videos were taken while raining and do not show these heifers in their best light. Vendor has a further 13 lighter sisters in the same sale.
