Assessor Comments	Buyers on offer is a small line of 18 Purebred Wagyu heifers. These heifers are only being sold due to the property being sold. A very tidy line of heifers that would be perfect herd starters or to improve existing herds. These heifers were picked out of a 200 weaners to be kept as replacement breeders. They have been selected on temperament and breed quality. Buyers please note that there is 1 red heifer and 1 white heifer, both out of black cows by black bulls going back to gene from generations ago.
