Temperament

Yards	Crush	Paddock
Quiet: 9 head Slightly Stirry: 9 head	Quiet: 13 head Slightly Stirry: 5 head	Temperament not assessed in Paddock

	The slightly stirry heifers were in the race & crush, they were slow to settle & quick to leave the crush, did settle once in the mob. In the yards they do move quickly when pressure was applied, but could be blocked up & did settle. More handling would settle them down further.
Handled With	Bikes
Assessor Comments	Buyers heifers surplus to requirements, that would suit a trade feeder market or could be taken on to a heavy feeder weight. They could also be grown out to suit a grass slaughter program, if looking for replacement breeders they would also suit once classed to your requirements. Vendor has 30 steers same sale.
