	Steers were good to work in and around the cattle yards though they have had minimal handling since being turned out. Steers are pressure sensitive and will move off with ease.

Assessor Comments	Buyers on offer is 63 light weight British Cross steers , weighing 195 - 285 kgs to ave 230 kgs at assessment. Steers present in store to forward store condition and given the access to good quality feed and the right opportunity should bound away. Steers were weighed out 195kg and better up to 285kg allowing a tight weight range opportunity. Steers will suit the Domestic/Export feeder orders or taken through for the bullock market. Steers would be ideal to take home put onto grass/crop. Please note vendor has another lot of 54 heavier steers in sale. For further information please call.
