Assessor Comments	A great opportunity to purchase quality angus heifers with EU Accreditation. Beautifully weaned, have come through winter and have been performing exceptionally well . Top bloodlines with generations of breeding using the best available genetics. All the hard work is done. Ready to join to a bull of your choice. Vendor set them up for life, intending to join them all if the season permitted. Very even line of heifers in a tight weight range. All weighed 360 kg full or better. Genuinely quiet cattle to handle. Vendor is happy to sign grass documents if required. These 2 assessments gives a purchaser an opportunity to put a total of 123 vendor bred heifers. Sold as a run out the gate basis. Please note same vendor with cows and heifers this sale.
